

Full Service Brokerage

AMC is an expert at selling and buying properties. We have worked for the best and have gained immeasurable expertise in accelerated marketing programs for impatient Sellers.

Our full service program for SELLERS include a consultation, due diligence and a competitive market analysis to determine the market value of your home, MLS listing, custom designed sign made exclusively for your property, property brochure and web site, open house schedule, advertising, sealed bid strategies for multiple offers, and many other amenities. We don't just take listings, we get results. Sometimes, we sell for more than the asking price!

Our full service program for BUYERS include an orientation on buying real estate which briefs buyers on current market conditions, down-payment and financing requirements, pre-qualification, contract requirements and procedures, areas of interest and other important aspects of purchasing real estate, a consultation to determine exact type of property wanted by Buyer, property showings, property comparables, access to due diligence, inspections and other valuable services.
